COVID-19 (CoronaVirus)

We are in the grips of a very serious viral epidemic COVID-19 also known as Coronavirus.

It's on everyone's mind. **Penn Trafford Physical Therapy is considered an essential business and we are open to treat patients.** We would like to assure our present and future patients that we are taking all necessary steps to prevent the spread of germs. We are following appropriate cleaning measures and have an infectious control policy in place that we are reviewing with all staff to ensure that our clinic is meeting all medical standards.

Direct Access

Don't forget that **Penn-Trafford Physical Therapy offers Direct Access**, which is physical therapy access without a physician referral for 30 days. After 30 days, a referral is required. Presently, Medicare, workers compensation and auto insurance do not permit therapy under **Direct Access**, and all require a physician referral. If you are not sure please call us at 724-744-7200, and we can give you some assistance. So, what are you waiting for?

Call today before Spring is here and you are saying, "I thought it would go away."
